

# PRAAYER FOR CHAD, AFRICA

"Ask of me and I will give the nations to you as an inheritance"  
(Psalm 2:8)

## DEAD HEART OF AFRICA

The nation of Chad is located in North-Central Africa. It is one of the poorest countries in Africa and the world. Chad is often called the dead heart of Africa because it is landlocked and the climate is so arid that little grows there.

The same could be said for its spiritual condition. More than 57% of the 17,000,000 people who live there are trapped by the chains of Islam.

## TOWER OF BABEL OF THE WORLD

Chad is very tribal. There are 141 people groups that speak their own unique language. Of those people groups, around 80 are still considered unreached. In other words, less than 2% of that people group is Christian.

## HOW TO PRAY FOR CHAD

Pray for the chains of Islam to be broken by the power of Jesus Christ.

Plead the blood of Jesus over the believers in Chad. Pray for favor and boldness as believers from a Muslim background declare their faith in Jesus.

Pray for the healing of the nation. For an outpouring of the Holy Spirit that would lead to revival of hearts, resulting in the revival of a nation.
